Online Catalogue: Course search instructions

1) Go to istudents.hse.ru

2) In the area ACADEMICS click on Course catalogue

The screenshot shows the website <https://istudents.hse.ru>. The top navigation bar includes links for Erasmus Student Network, Psychological Counseling, Study Areas, Cafeterias, HSE Traditions, Alumni Centre, Life in Moscow, Culture Shock, and Doctoral Programmes. A red arrow points to the URL in the browser address bar, labeled with a red '1'. Below the navigation bar, there are two banners: 'Request your documents online' (dated 17.08.2017) and 'Culture Café: Brazil' (dated 24.11.2017). The main heading is 'International Student Support'. A large purple box contains text about the university's support for international students. To the right of this box is a blue 'Faculty Support' button. Below it is a yellow 'ACADEMICS' sidebar menu with a red arrow pointing to the 'Course Catalogue' link, labeled with a red '2'. The sidebar menu also includes links for General Academics, Academic Calendar, Timetable Builder, Scholarships & Stipends, Study Offices Contacts, Credits & Grading System, Knowledge Assessment, Integrity & Copyright, Individual Study Plan, Transcript of Records, Student Email, LMS, Russian as a Foreign Language, and a link to the Feedback Form. The right sidebar contains contact information, including a feedback form icon, download links, and social media links.

International Student Support

Thank you for choosing our university for your international study experience. It is a great honour and pleasure for the International Students Support to have you with us.

This website is intended to serve as a quick reference whenever you encounter a problem or simply have a question. It will prepare you for life and study in Moscow and answer at least some questions that might arise during the first days of your stay.

Our office assists exchange and visiting students on any matters related to their stay in Moscow. Full-degree students enjoy the support of their respective programme offices and use our site for information about student life at HSE.

We wish you success and many wonderful discoveries!

Online Course Catalogue

English-taught courses are an integral part of the HSE high quality curriculum. Foreign students can take clusters of English-taught courses in Economics and Finance, Management, International Affairs, Sociology, Mathematics, Computational Science and Engineering, Political Science, and other.

As an exchange or visiting student you can build up a preliminary list of courses by choosing disciplines from the lists of English-taught and/or Russian-taught courses.

- [HSE Course Guide in English](#) (only for English-taught courses)
- [HSE Course Guide in Russian](#) (for both Russian and English-taught courses)

Please note that some courses:

- 1) may have prerequisites (a transcript of records from your Home university can be required by a study programme);
- 2) may be offered on a space-available basis.

Before you start to choose courses, we strongly advise you to read the instructions how to use Online course catalogue (see below).

 [Course search instructions.pdf](#)

If you have concerns when choosing appropriate courses, please contact the Student International Mobility Office on international.study@hse.ru.

About

For Prospective Students

For Students

University Affiliation Program

CFA Institute®

This programme is designed for young specialists who want to deepen their understanding of investments and financial analysis, while also learning about the best global practices as presented by the CFA Institute. Since 2012, the programme has been a CFA Institute Program Partner. This status is awarded to only a limited number of programmes that cover more than 75% of the CFA Program Candidate Body of Knowledge (including ethical and professional standards). In line with high CFA standards, the programme is updated annually using actual CFA textbooks and current global practices. Courses are delivered by HSE faculty and CFA Charterholders working in business. Graduates of the programme are well-equipped for careers with Russian and international banks, management firms, investment funds, rating agencies, consulting groups, and audit companies.
