What is Learning Management System (LMS)?

Required Technical Specifications for LMS

- Personal Computer (LMS may not function properly on tablet or mobile phone browsers);
- Windows OS is preferable;
- Firefox or Chrome web browsers

NB! LMS is not available daily from 03:00 AM to 04:30 AM, Moscow time (GMT +3) due to maintenance works.

How to enter LMS account?

<u>Step 1</u> - Go to the webpage <u>http://lms.hse.ru/</u> to enter the LMS;

Step 2 - Switch to English in the upper left corner of the page (pic.1);

Picture 1

Step 3 - Enter your Login and Password

To find out your login and password open the front page of your HSE online student profile: <u>http://asav.hse.ru/foreignstud.html</u>

Your login is your university e-mail address (edu.hse.ru) (pic.2).

Initial password is Edu + the number of your student ID card (no dots, slashes, etc.), e.g. **Edu170191365** (pic.2):

Picture 2

<u>Step 1</u> - Press Selective Courses button to start registration for courses (pic.3);

Step 2 - Choose English-taught courses first. Use the command Ctlr+F to search the needed courses;

Step 3 - Press blue arrow to move to the confirmation button (pic.4);

	# LMS

Picture 5

After you confirmed the course selection in LMS, the enrolment request goes to the **programme coordinator**.

The programme coordinator can **accept or decline your enrolment** if the course is full/cancelled/etc. <u>Only in case of enrolment decline</u> you will receive the notification **to your university e-mail @edu.hse.ru**.

NB! In case of **technical problems** with the system return to the start page, press the HelpDesk button (Pic.6) and submit a **fault report**. Support service will offer help during office hours.
