

Dormitories Committee

the department of **HSE Student Council**
which is responsible for **controlling**
student's life in dormitories, **representing**
their interests before university
administration and **solving their problems**
in dormitories

The Head of the Committee
Andrey Mikhailovsky

What do we do?

- Working with **regulatory legal acts** related to dormitories
- Interaction with **local student councils** in dormitories
- Development and improvement of the **social sphere** in dormitories
- Organization of **life monitoring** in dormitories
- **Informing students** about important innovations in dormitories and much more...

NEW! IN 2021 ACADEMIC YEAR—SOLVING ISSUES AND PROBLEMS RELATED TO RENTED HOUSING PROVIDED BY UNIVERSITY

Our projects

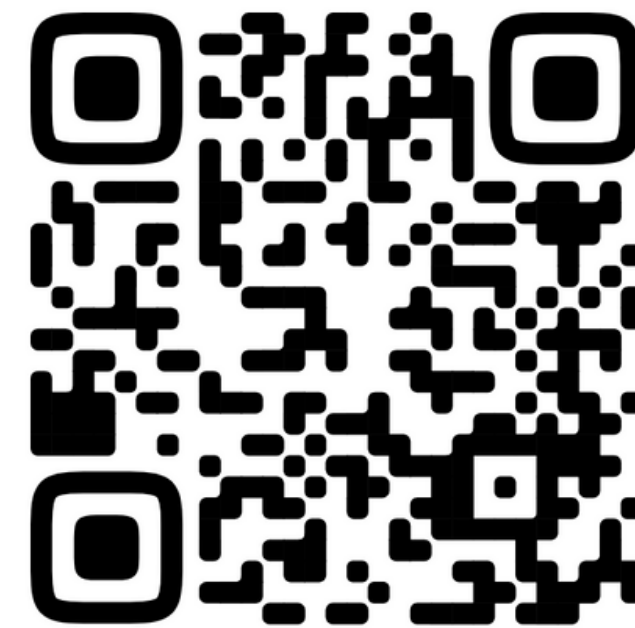

- Developing **guides** about dormitories for students with important information
- **Environmental project**: creating an eco-space in dormitories
- Improvement of **public spaces** in dormitories (rooms for studying and recreation)
- Improvement of the **new settlement system** 2021-2022 and solving problems related with it
- Supporting **international students** in dormitories
- Dormitories in the **COVID-19 pandemic** (participation in the work of the Operating Center, informing students)
