ESN HSE Moscow: 5 *Board Members*, 15 *Active members*, 150+ *Buddy Volunteers*

What can we do for you?

Buddy Program

Buddies are current HSE students who volunteer to help incoming international students to settle into life in Moscow and feel more confident in a new cultural and social environment. You meet your buddy upon your arrival or can request their help any time throughout your stay.

If you need a Buddy to meet you when you arrive in Russia, please register at the website <https://broaddy.com>.

Need an online-buddy or you have any other questions?
