ESN HSE Moscow: 4 Board Members, 27 Active members, 187 Buddy Volunteers

What do we do?

- Buddy program
- Social Inclusion
- Mov'in Europe
- Cultural events
- Trips
- Parties

Buddy Program

Buddies are current HSE students who volunteer to help incoming international students to settle into life in Moscow and feel more confident in a new cultural and social environment. You meet your buddy upon your arrival or can request their help any time throughout your stay.

If you need a Buddy to meet you when you arrive in Russia, please register at the website <https://broaddy.com>.

You can find the instructions [in this document](#).
